

UK Cadet Class Clemenson Nautilus Trophy

Saturday 26th & Sunday 27th May 2018

Welcome note from the Commodore

We're delighted to welcome the Cadet Class to Pevensey Bay Sailing Club.

PBSC is a dinghy / catamaran and windsurf club, sailing from March to December, including the regular Sunday series handicap racing. We are very family orientated and have an extensive training academy teaching cadets and adults alike on Tuesday and Thursday evenings and Saturday's during the day.

Sailing is held in the wide open bay between Eastbourne and Bexhill that offers clean air and tremendous views from Beachy Head to Hastings. Naturally the clubhouse will be open all through the event with a well-stocked galley and bar. Our camping field behind the clubhouse is available all weekend from Friday through to Monday..

You'll find our willing band of PBSC helpers wherever you turn, from the safety boats, beach party, bar or galley. We wish you an exciting competition and good winds.

Adrian Peckham
Commodore
Pevensey Bay Sailing Club

Access map and directions

Coming from Eastbourne, go past Asda on the A259 towards Pevensey Bay for 0.25 miles then take the right hand turn signed 'Pevensey Bay Sailing Club'. Follow the road for 0.5 miles straight past the campsite and then take a left hand turn at the dead end. The club is 200 yards away and will be clearly visible.

Site map / arrival / parking / club amenities

Registration

The club will be open from 6pm Friday 25th May.

Dinghy drop off and vehicle parking

We have a large site and car parking on site should be achievable if vehicles are parked tightly in the marked spaces. Please drop trailers in the trailer park immediately to the right hand side of the gate and move dinghies and trolleys to the top of the shingle beach. Parking for motor homes and cars will separately signed. Tents (charged at £10 per night and payable at registration) should be closely pitched on our camping field just behind the clubhouse – no vehicles or BBQ's on the grass please.

Please see the site map below - club members in high visibility jackets will direct the traffic Saturday morning

Food / Bar

Food will be served from Saturday morning to Sunday late afternoon. The clubhouse bar will be open lunchtime to late evening. Breakfast will be available from 8.00am Saturday and Sunday. Note the club does not have card facilities so please bring cash to pay for food and drink please. The nearest cashpoint is at Asda in Sovereign Harbour, approximately half a mile in the Eastbourne direction.

We have a BBQ on the Saturday night tickets are priced at £7 will be on sale at the registration desk.

Nearest:

- main shops - 0.5 miles. Sovereign Harbour Retail Park - Asda / Boots / Wilkinson
- cashpoint – Asda - 0.5 miles
- hospital - Eastbourne District General Hospital - 5 miles

Local points of interest

- Pevensey Castle – 2 miles – an old Roman turned Norman Castle operated by English Heritage
- Pevensey Bay – 0.75 mile – walk along the A259 or along the beach (hard sand at low tide)
- Sovereign Harbour 1 mile– one of the largest marinas in the UK, surrounded by 4000 residential units.
- Eastbourne Pier and Bandstand - 4 miles. Indoor shopping centre in the town centre
- Beachy head 7 miles – spectacular views over the Eastbourne and the downlands

Sailing Programme / personnel

	Peter White Deputy Race Officer (PBSC)
	Gordon Bishop Lead safety boat helm
	Adrian Peckham Commodore

Day	Time	Event
Friday 25 th May	18.00	Club open
Saturday 26 th May	11.00 12.25 16.19	Race officer briefing Warning signal race 1(of 3) Low water
Sunday 27 th May	10.25 10.41	Warning signal race 1(of 3) High water

Tides / Weather

Saturday 26th May HW 09.51 (5.24m range)

Sunday 3rd May HW 10.41 (5.65m range)

Tides are almost on springs

The tide flows towards Hastings on the flood coming up to high tide and a back again to Eastbourne on the ebb to low tide. The rate of flow is approximately 2 knots at the peak during the ebb tides. The tides range between 2.5 and 7.5 metres from lowest to highest tide on the monthly cycles with neap tides being the lowest and spring tides being the highest.

Weather <http://www.metoffice.gov.uk/public/weather/forecast/u10301b4b#?tab=fiveDay>

Returning to shore

If returning to shore with the fleet close to high water and the wind is onshore, please come ashore a few dinghies at a time (or as directed) enabling the beach party to help you through the waves and lift you out.
