

PEVENSEY BAY SAILING CLUB

NOTICE OF RACE AND SAILING INSTRUCTIONS 2022

PEVENSEY BAY SAILING CLUB – NOTICE OF RACE

1. Pevensey Bay Sailing Club will be the Organising Authority for PBSC club racing during the season. A racing programme giving the details of the races, including dates and times, will be published and will be available on the club website before the season commences.
2. Events are governed by the rules as defined in the Racing Rules of Sailing.
3. Racing will also be subject to the Club's Sailing Instructions.
4. Racing is open to all full club members and signed in guests. With the exception of class racing, the current RYA Portsmouth Number handicaps will be used. A boat with no PN will be assigned one by the Sailing Committee.
5. The racing programme identifies the start time for each race. Sailors intending to participate in a race shall complete the signing on sheet for that race.
6. The Club Standard Sailing Instructions change the following rule of the RRS:
 - a) Rule 40.1 applies at all times whilst afloat. (Personal buoyancy must be worn).
7. Full club members do not need to enter for a race or series in advance, but shall sign on before participating in each race. The act of signing on indicates that sailors agree:
 - a) to be bound by the Racing Rules of Sailing, the Sailing Instructions, and the relevant parts of the club handbook, and that
 - b) their boat is adequately insured, with cover of at least £2million against third party claims.
8. Sailors are reminded that it is their responsibility to ensure their equipment is in compliance with their class rules. For classes such as ILCA that do not have measurement certificates, sailors who "sign on" for a race shall be deemed to be confirming that their boats conform to class rules. All other boats competing in club racing shall have a valid measurement certificate issued under their relevant class association procedures. Replica parts that give no advantage are permitted.
9. The Club Standard Sailing Instructions are published on the club website. Hard copies are available from the club office. It is strongly recommended that all members intending to race should obtain and read a copy of the Racing Rules of Sailing.
10. Courses for racing will be indicated on the day of the race.
11. The penalties for breaking a rule of Part 2 of RRS (When boats meet) will apply.
12. Scoring will be in accordance with RRS Appendix A. Sailors allocated to club duties during a series may claim average points for the race(s) they are unable to participate in. Average points will be calculated at the end of the series on the basis of all races in the series that the sailor sailed in, irrespective of whether or not these races are subsequently discarded.

13. Risk Statement

Rule 3 of the Racing Rules of Sailing states: “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.”

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in any of the events covered by this notice of race, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.

14. Privacy Statement

The personal information you provide to the organizing authority will be used to facilitate your participation in the events. If you have agreed to be bound by the Racing Rules of Sailing and the other rules that govern the event (the rules), the legal basis for processing that personal information is contract. If you are not bound by the rules, the legal basis for processing that personal information is legitimate interest. Your personal information will be stored and used in accordance with the organizing authority’s privacy policy. When required by the rules, personal information may be shared with the RYA, your national authority and/or World Sailing. The results of the event and the outcome of any hearing or appeal may be published.

18. Personal communications

While racing, a boat shall neither make nor receive radio communications not available to all boats. This restriction includes the use of mobile phones.
